

CLOCK

THE

Property of
John E. Peterson

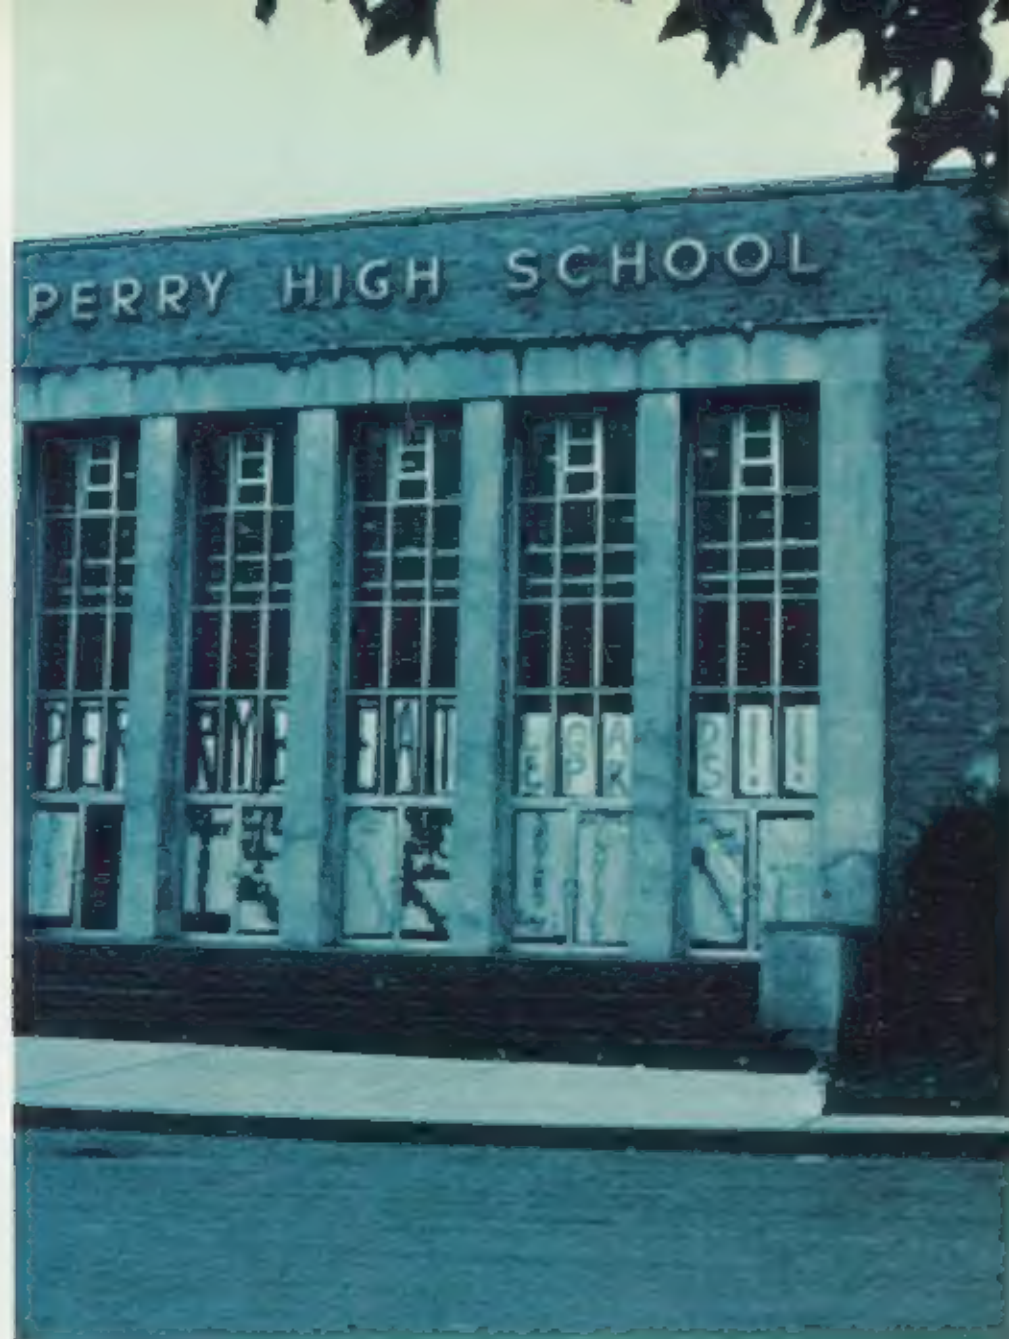

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in financial matters. The text outlines various methods for collecting and organizing data, including the use of spreadsheets and specialized software. It also highlights the need for regular audits and reviews to ensure the integrity of the information.

2. The second part of the document focuses on the legal and regulatory requirements that govern the collection and use of personal data. It references relevant legislation, such as the General Data Protection Regulation (GDPR), and explains how these laws impact the way organizations handle sensitive information. The text provides guidance on obtaining consent from individuals, implementing data protection policies, and ensuring that data is stored securely. It also discusses the rights of individuals to access, correct, or delete their data.

3. The third part of the document addresses the ethical considerations surrounding data collection and analysis. It explores the potential for bias and discrimination in data-driven decision-making and emphasizes the importance of fairness and transparency. The text discusses the need for clear communication about how data is being used and the potential consequences of data collection. It also touches on the importance of protecting privacy and ensuring that data is not misused.

4. The fourth part of the document discusses the practical aspects of implementing a data management system. It provides a step-by-step guide for setting up a database, defining data fields, and establishing data entry protocols. It also discusses the importance of training staff on how to use the system correctly and the need for ongoing monitoring and maintenance. The text concludes by emphasizing the importance of a data-driven culture and the role of data in improving organizational performance.

Change must come —
not as a mere flirtation with
needlessness but with sound purpose
and reason.

However,
knowing how and why to change is
the difficult task.

Change is leaving something in favor
of another —
another idea
another method
another situation

Students have become the initiators —
a more relaxed dress code
the modular system
voting privileges

Change brings sadness and happiness,
surprises and certainties.

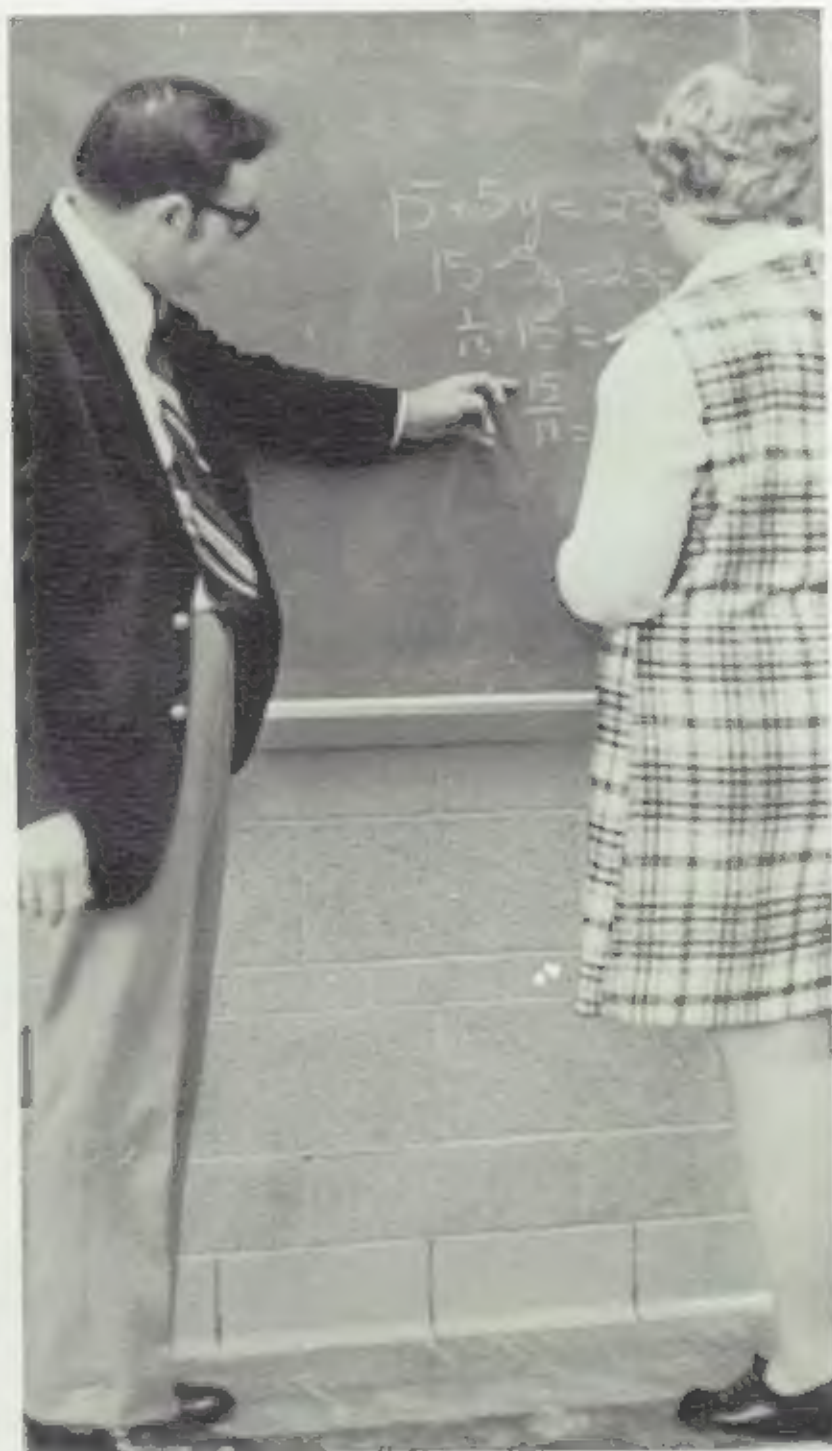

Change is the challenge and excitement
of our everyday life.

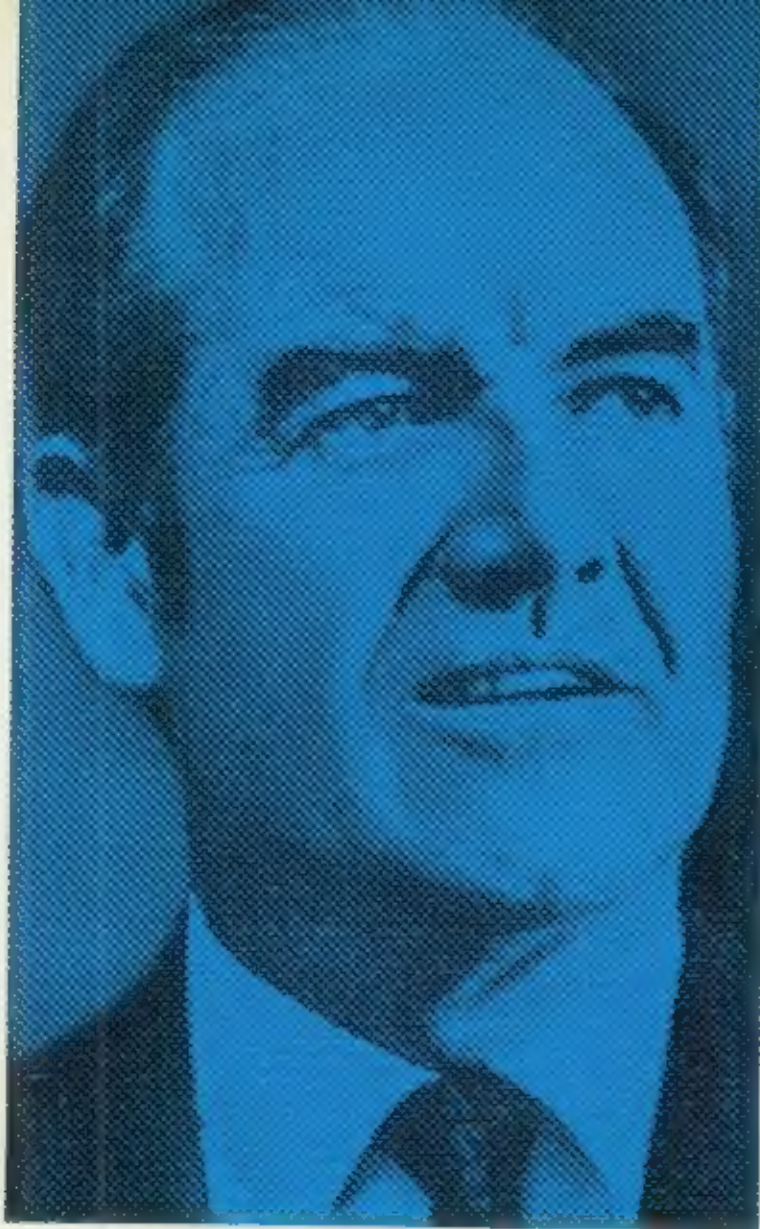

1973 "Clock" —

Mr. Louis Clauss

Dedication

Housekeeping is a job relished by few, young and old alike . . . digging into corners to get out dirt, scrubbing floors, washing windows, dusting furniture. But to "housekeep" a high school takes almost sacrificial devotion, and it is for 16 years of that devotion that Lou Clauss, head custodian of Perry High School, is the dedicatee of the 1973 CLOCK.

"Before becoming head custodian I often had to be at work at 4 a.m. during the snowy months to shovel sidewalks, and to clear parking areas. Most of the heavy cleaning has to be done after hours when school is not in session," says Clauss. "While my supervisory position has relieved me of much of the so called "heavy work", I credit my working crew for their strenuous efforts at keeping Perry a school of which we can be proud."

In addition to his cleaning responsibilities, Clauss also provides a shuttle delivery for the food services between Perry, Edison Junior High and the eight elementary schools in the district. When electrical problems arise in the school, that too often falls into his hands instead of calling in outside help.

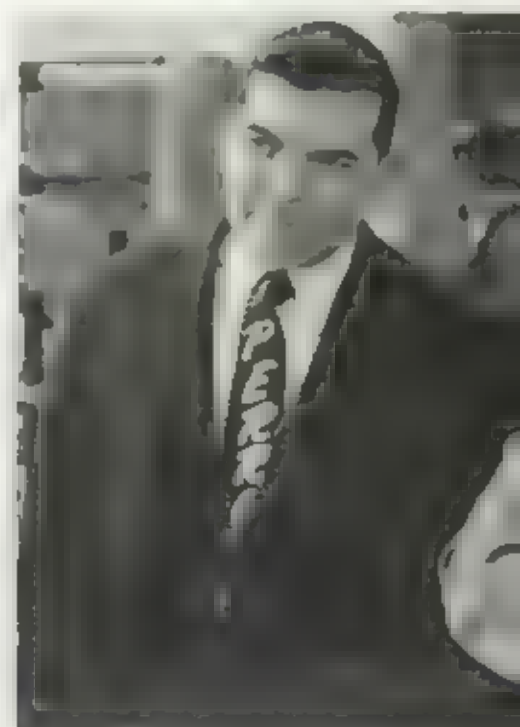

A salesman dealing in school products once commented "you can tell how well a school is administered by the pride the maintenance staff takes in its building." One need only walk down the "almost like new" hallways of Perry and see the apparent lack of wear and tear on the 17 years old structure to feel Clauss' pride in his job and gratitude for his hard work.

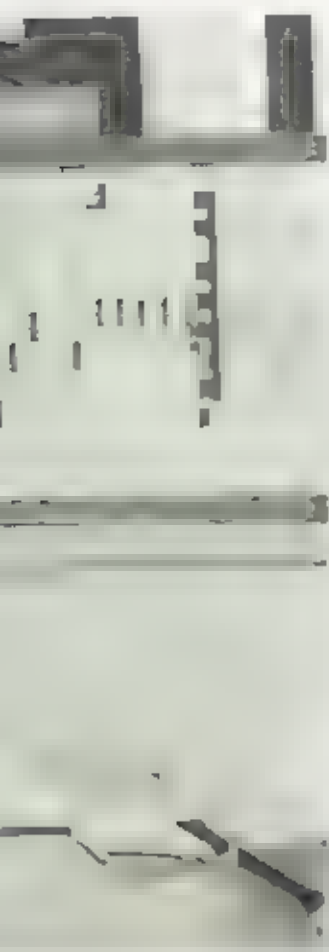

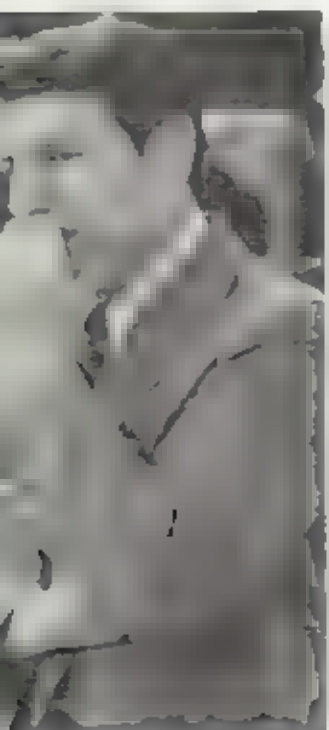

THE ESTABLISHMENT

Mr. Dale Beatty

Mr. Dale Beatty has served as principal at Perry High School for the past seven years. Neither rain nor snow has kept Mr. Beatty from attending our great school functions and his enthusiasm is exuberant at our pep rallies. He is a truly dedicated administrator who places the interest of the school first. Mr. Beatty graduated from Fairmont State College with a BA in education, West Virginia University with a MA in administration, and attended Akron University.

Mr. James Miller

Being a back up man for Mr. Beatty is only one of the many responsibilities of Mr. James Miller. Although he may reprimand someone he is still there lending a helping hand when one needs it. With all his responsibilities, Mr. Miller known for his fairness and high moral standards still has time to help prepare students for the future

Mr. Miller is serving his third year as assistant principal. He graduated from Fairmont State College and West Virginia University. He taught biology, and physical education, and was a coach and athletic director

Perry Board Shows Concern For Schools

There are not many men who can sit down and work the problems of a school out rationally. Fortunately our Perry Board of Education is interested in the welfare of our school. These men try to meet the needs of all the students and at times this can be difficult. One major problem this year was developing the modular system to ease the overcrowding in our schools. At first, it took much getting use to but before long it was functioning very well.

Balanced Meals and Well Kept

Building Are Commonplace at Perry

The cafeteria workers are kept on "their toes" trying to prepare well balanced meals for the students and faculty. Cooking for a school the size of Perry is a most difficult job, so give the Perry cooks a pat on the back!

Without the custodians, Perry High School could not function properly. They are the first to arrive in the morning and the last to leave at night. Of their many jobs, they keep the halls clean and replace burned out lights. What would our school do without them!

THE HEROES

The 1972 edition of the Perry High School Football Team proved to disbelievers what hard work, dedication and desire can do for a football team. Starting the season with a win over Timken, Perry next lost an important game to North Canton, 42-6. This seemed to sadden the hopes of Perry football, but with great coaching along with desire, Perry won seven straight games, including an overpowering victory against Louisville. Perry ended the season with a 9-1 record and held second place in the Federal League. Charley Bing received the honor of being elected "most valuable player."

Panther Pride Runs Deep

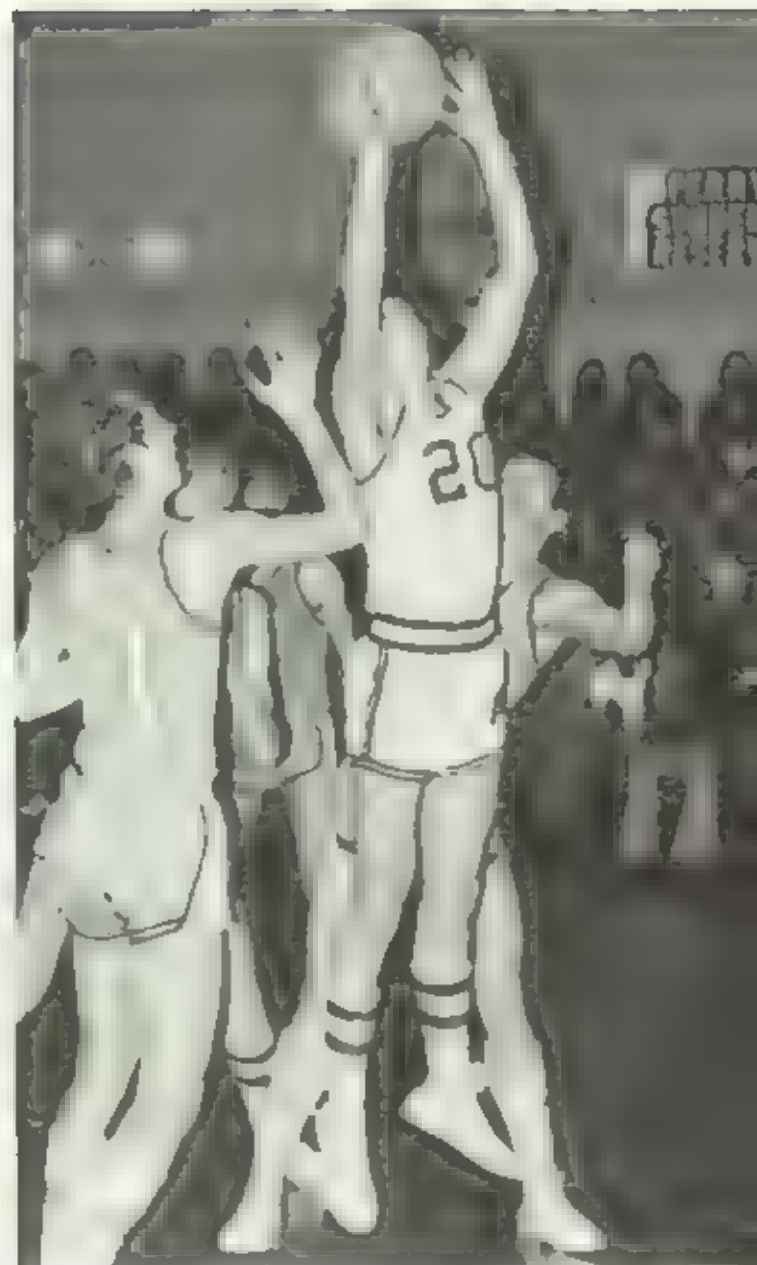

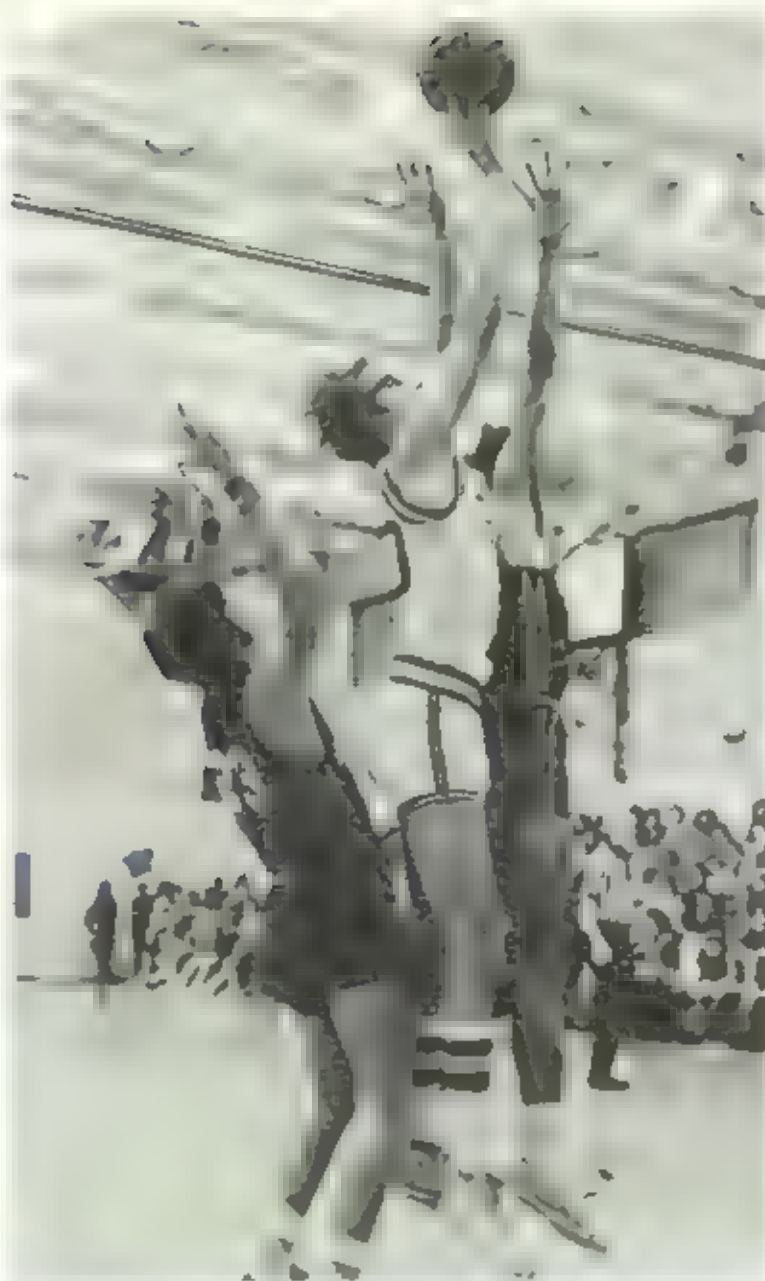

Under New Head Coach Perry Records 10 Wins

Perry High School provided a strong team in Federal League basketball. The Panthers record of ten wins and eight losses fail to indicate the fantastic game verses Fairless. Lead by Adair Cooper, Rich Long, Rich Wheat, Terry Preusser, and Roy Newlon, the Panthers defeated a top contender for the championship, Fairless. This win was the climax of the season and represented Perry Players, as well as coaches in a fine effort. The co-captains, Rich Wheat and Adair Cooper provided leadership as well as senior Rich Long. Two promising juniors, Don Misheff and Roy Newlon, contributed strongly during the season.

Reserves Show How It's Done

Reserves Dominate Federal League with 14 Wins

Totaling fourteen wins, the Perry Reserve Basketball Team looked impressive against other Federal League reserve teams. The young Panthers showed their rebounding and shooting strength on the front lines with Jim Cardwell, Jeff Bricker, and Dan Rogich. The guards also exhibited their shooting ability on the court by their high shooting percentage. Dan Rogich and Jim Cardwell not only logged time with the reserves but also played for the varsity when called upon.

Wrestlers Miss .500 Record by One Meet

The 1972-73 Panther matmen finished the season with a respectable record of five wins and seven losses. With strength coming from the underclassmen, the grapplers provided tough competition for other Federal League schools. Captain Mark Powell led the young team along with seniors Chris McBurney, Mike Kress, Craig Palmer, Jim Gang, Doug DeLashmutt, and Todd Brasill. Perry High School was represented by Chris McBurney, Chuck Asplin, Ray Wade and Doug DeLashmutt in district wrestling competition.

Panthers Nine Slam Home Another League Championship

With experienced personnel, Perry High School's baseball team captured the 1972 Federal League Championship. All-Federal League catcher Steve Halter, along with Jim Miller and Willie Gates, led the champs with consistency and dependability. The Panthers won the western division championship, then played the champion of the Eastern division for the Federal League title. Along with senior Willie Gates, the excellent pitching staff included: Gary Reed, Andy Haag, Dave Milnes, Mitch Patterson, and Dave Longworth. Jim Miller, Jim Needs and Steve Halter provided power with timely hitting. The second base shortstop combination of Jerry Klick and Roger Laster was considered one of the best in the Federal League.

Cindermen Work Hard for Average Season

The 1972 Perry track team had its accomplishments along with its disappointments. One of the disappointments was their record of 4-7. Among the achievements was the Perry Relays. The Perry track team sponsored the first annual Perry Relays with eight area schools participating. Another major accomplishment was achieved when co-captain Doug Kaylor qualified for the regionals and set a county record in his strongest event, pole vaulting. The Perry trackmen were led by co-captains Doug Kaylor and Jeff Musser and by Coaches Bob Bird, Jeff Greenfelder, Bob Hill, and Gary Deluca.

Golf Team Finishes Third in Federal League

The Perry Golf Team provided a fruitful season as they recorded seventeen wins. The defenders of the Federal League Championship finished a high third this season with eleven wins in Federal League play. Most valuable player honors went to senior Joe Ilk.

Cross Country Men Run On

Lead by sophomore Dan Cottrill, the Perry High distant runners had a fair season. The cross country team only showed two victories in nine dual meets, but underclassmen provided strength when called upon and looked promising. Three seniors, lead by Carl Bowen, exhibited leadership throughout the year. Juniors, Dan Stockdale and Don Brighenti contributed a good deal to the cross country efforts as well as a number of other sophomores

Enthusiasm Created by Cheerleaders

Cheering our athletic teams onward is the job of the Perry High School cheerleaders. These girls are very active. The talented cheerers practice during the school year and take their talents to summer camps where they refine them. They lead the student body at pep rallies in trying to accomplish their main goals of creating spirit and enthusiasm within the student body

"Putting together the "Clock" required the usual amount of time and hand work. This year, we had an entirely new system of laying out the pictures. It was bit confusing at first, but soon worked out fine. Our first meeting consisted of an all-day work shop at Consolidated Graphic Arts Office in Canton. We designed the cover of the book, selected a theme paper, and type style. Then, we talked about special picture effects

TOP LEFT: Activities Editor — Cindy Matthews. TOP RIGHT: Faculty Editor — Debbie Price. BOTTOM: Sports Editor — Dave Bantz.

“Clock” Staff Always Met Their Deadlines

Heavy, late hours plagued the yearbook staff to meet the deadlines. The deadlines came near and the pressure mounted. All through the day one could hear, “Write a cutline for this picture!” “You have to do this page over!” We have, and this is the result of our hard work

The "Panther's View" Gets It All Together

The Panther's View informs the student body of school events. Students enjoy reading Zelda, Popsie, Guess Who, Letters to the Editor, sports articles, and many special features found in the Panther's View

Student Board of Directors Represents Students

The Student Board of Directors is Perry's democratic organization which represents the student body. The members, consisting of the elected class officers, encourage good citizenship and strive to develop better student-faculty relationships. The Student Board of Directors establishes student policies and solves problems.

The Teen Board carefully selects one boy and one girl from the nominations of Perry students for the Canton Repository's "Teenager of the Month."

A letter

in the end of a long letter when
is given, I hope so I can say
sincerely enough how much you've
helped me during my last affliction
for it is so I hope you may succeed
to understand how I feel in the
same way I would like to explain
to you 'thanks so much'

I hope you will come to
see you I hope you'll understand me
I'm praying for you and your
luck in the future'

Margaret

P.S. Remember the propaganda!

Mr Bower
 your one of
 the best and kindest
 teachers I have had. I
 enjoy your math classes and
 your company
 Gary Kiger

Mr Bower
 I have to say that you have
 been a great influence on me. All
 the things you have done for me
 and the way you have helped me
 to become a better person. I am
 grateful to you for everything you
 have done for me. I hope you
 are well and happy. I will
 think of you often.

Mr Bower
 you are a real great
 teacher that helped
 me to understand the
 math
